Both Pilmeny Development Project (PDP) and Pilmeny Youth Centre (PYC) have been providing community services in the Leith Walk Ward (from London Rd to bottom Easter Rd & from Ferry Rd to top Leith Walk) for over 30 years!

Although separate organisations with their own registration and charity numbers the PDP and PYC work in partnership to provide the best service available for the local area.

In regards to youth services both organisations are responsible for a number of independent groups as well as groups that clearly evidence the long standing partnership.

The Monday LOSP, Tuesday Junior Club and Wednesday Senior Club are run together with PDP organising the practical youth service and the PYC provide the actual premises for these to take place.

Details of all the groups, both independent and partnership for young people are provided within this leaflet and more information is available from the organisations as details under the contact section.
